

College Algebra

Mr. Snider

Classroom Expectations

1. Be on time to class.
2. Come to class prepared with all required materials.
3. During class discussion, respect your peers and teacher by listening while others are talking. Please raise your hand to speak when appropriate.
4. Be a responsible student and a positive participant in class.
5. Respect your classmates and give them your attention because they probably have the same questions as you.

Supplies (*Bring all items every day*)

iPad

Textbook

3-Ring Binder/Notebook

Paper

Graphing App

Calculator (Recommended: Casio fx-115ES or TI-30)

Pencil- NO PENS ON ANYTHING COLLECTED

Extra Help:

Students are encouraged to come in for extra help during periods 4 or 7. I plan to be in my room by 7:30 daily to assist students, but I will also need a few minutes of that time to get things ready for the day's lessons. Please come and visit if you are having any problems. If these times don't work well, please feel free to ask other math teachers, consult the internet, or set up an appointment with me if you have questions.

Making up Work

- It is the student's responsibility to check for missed assignments/quizzes/tests.
- Quizzes/Tests must be made up within one week.

Please consult the Moodle to find out what you missed

Grading Scale

100-94%	A	76-74%	C
93-90%	A-	73-70%	C-
89-87%	B+	69-67%	D+
86-84%	B	66-64%	D
83-80%	B-	63-60%	D-
79-77%	C+	59-0%	F

Grading Policies and Procedures

Your Grade Is Based On:

10% Formative Assessment

Quizzes: Given every two or three sections for each chapter to formally assess your progress and provide additional feedback to enhance learning. Students will be able to use completed homework for those sections on the assessment. Cell phones and iPads will need to be on the ground and under the student's desk.

Homework: Homework will be given daily and **due** the next class period. Students are expected to complete the assignments with legitimate effort showing work in pencil. It will be collected when the quizzes are taken. Homework for the chapter will approximately be the value of a quiz.

- You will receive a total of 2 points credit if:
 - You legitimately attempt **every** problem – *1 Point*
 - You show legitimate effort and show all work in pencil - *1 Point*
- You will **not** receive credit if:
 - Problems are left out, work not shown, limited effort
- The **deadline** for late assignments will be when the unit summative assessment is given. You will be allowed **1** late assignment *per unit* without penalty, after that, late work will be worth half credit.

90% Summative Assessment

Unit Assessments and Projects (70%): On assessments and projects, partial credit will be awarded for any work done correctly. All formative assessments need to be completed prior to retaking the test. Reminder, retakes need to be done within five days it is returned.

Semester Assessments (20%): Partial credit will be awarded for any work done correctly.

Dear Parents,

Your son/daughter has been asked to take a moment and explain the syllabus for College Algebra to you. Please sign below to indicate that your child has shared this introductory information with you. Thank you!
