

Dear HES Parents/Guardians,

December is just around the corner and that means it is almost time for our HES Holiday Concert! Our concert takes place on Monday, December 10th at 7:00 p.m. in the Hayfield High School West Gym. It will feature the Voices of Vikings Choir and all students, grades K-5, performing various winter and holiday songs. Please bring your friends and family and join us for a night of entertainment!

All elementary students are required to participate in the concert performance, so please bring your child to his/her regular classroom no earlier than 6:45 p.m.

The gymnasium doors will open no earlier than 6:30 p.m. For your convenience, we will open both gym doors in the high school lobby at the same time.

Those of you who are unable to attend the evening performance are welcome to join us in the HS West gym for our dress rehearsal at 1:00 p.m. on Monday, December 10th. The evening concert will also be broadcast live on thecube.com.

Students should wear their best dress clothes to our performance. Dresses, skirts, dress pants, khakis, sweaters, dress shirts and ties are all appropriate.

Please encourage your child to practice his/her concert music. All concert songs are on my website under "Holiday Concert Songs 2018". The password for this page is **HESmusic**. If you have any questions, please contact your child's teacher or myself at the school. The children and I look forward to seeing you at the show!

Sincerely,

Liz Fjerstad

HES Music Teacher
