

FOOD & SERVICES MANAGEMENT

WHO WE ARE

Responsive, Passionate, and Solution-based

A'viands is a Midwest-based company established in 2003; dedicated to the clients we serve in both the Midwest and Nationwide. The management and operational teams at A'viands are passionate about serving our clients. We are responsive and committed to finding solutions for our clients' needs. We provide service to school districts, higher education, corporate dining, healthcare, senior dining, juvenile, and correctional facilities. Currently, we have more than 250 locations that A'viands serves and more than 2,400 staff members that are part of the A'viands Team.

A'viands' Home Support Office is located at:

1751 County Road B West, Suite 300
Roseville, Minnesota 55113
Phone: (651) 631-0940

We provide the personal touch and have invested in resources and support that meet or exceed those of larger companies. We can support your nutrition services with valuable company resources that are close at hand while staying focused enough to know you and your expectations. We know our clients personally—as people, not as client numbers—and our clients are involved in our decision making process.

We believe that customer service, through communication and the best possible nutrition service program, is essential for a successful relationship.
