

# Hayfield High School Supply List 2016-2017

As the school year quickly approaches, we ask that students come to class prepared every day. For each of our classes, students will be expected to bring at least the following items: writing utensil (pencil or blue/black pen), a notebook, a folder, and their textbook (covered). Seventh and eighth grade students will also be required to have their student agenda at all times. In addition to these items, some of our classes require specific materials. Some of these materials are listed below; however additional materials may be required at the beginning of school.

## **GRADES 6-8**

### Computer 6-8

- Internet access at home is helpful to check the class Moodle site.

### Physical Education

- A change of school appropriate clothes for inside and outside.
- Combination lock for gym locker (optional)
